I. EXECUTIVE SUMMARY:

The applicant, Me and Mike’s Pizza LLC (DBA “Pizza Plus”) is seeking a Conditional Use Permit (“CUP”) to allow the sale of beer and wine for on-premises consumption (License Type 41), indoors only at a full service restaurant. Staff Report 3.1
Meeting of March 20, 2019

II. BACKGROUND AND ANALYSIS:

The project business, Pizza Plus, has been operating for years under a lease at 3308 Santa Fe Street. The building at 3325 / 3327 Santa Fe Street recently came up for sale and the business owner “Me and Mike’s Pizza LLC” decided to purchase the building and move the restaurant across the street. The 4,623 sf clothing store converted into a restaurant with 117 seats will be open for business from 11 am to 10 pm daily. Approximately twelve (12) employees will be employed at five (5) employees per shift.

There is no outdoor seating proposed. Although there are two addresses, five internal doorways allow access between the two sides (Attachment 2). A smaller dining room seats 44 people and a larger banquet room with bar seats 73 people. A game room accommodates 27 players and the rest of the building contains the kitchen, food prep area, restrooms, and storage areas. A grease interceptor has been installed and a new trash enclosure has been deferred for a year. Signage will be obtained under a separate permit.

The applicant is working with ABC to transfer his existing Type 41 License (7/31/19 expiration date) to the new location because he would like to continue to offer patrons a glass of beer or wine with their pizzas. According to the Police Chief, the existing Pizza Plus does not generate any police activity. Across the street from its former location, the subject site is an appropriate place for alcohol service in connection with a bona fide eating place. Parking on this block of Santa Fe Street between Third and Fourth Streets may increase but should not change noticeably after the move. The site is within walking and biking distance for diners living and working in the downtown and mere blocks from bus stops.

The General Plan designation of both the existing and proposed Pizza Plus sites is Mixed Use (MU). This MU designation accommodates neighborhood-scale retail uses, office uses, personal and commercial services, and similar land uses. This land use designation is anticipated to be mainly nonresidential; however, this designation also explicitly allows for higher-density residential development in a vertical or horizontal mixed-use setting. There is no housing proposed for this project nor is any required to satisfy a Mixed Use designation.

The zoning designation of both the existing and proposed sites is Downtown Core in the Downtown Specific Plan. Under the subcategory of General Commercial, this zoning district allows eating and/or drinking establishments to serve alcoholic beverages after obtaining a conditional use permit. Conditional Use Permits “run with the land” so if a business moves, a CUP must be obtained for the new location. The closest business to this site that served alcohol was the Red Carpet Bar at 3319 Santa Fe Street, which closed several months ago and its ABC license allowed to expire on February 28, 2019. The second closest business serving alcohol is Carolina’s at 3222 Santa Fe Street whose ABC license will expire February 29, 2020. There are other Type 41 Licenses at various locations along Atchison Street and Type 20s (grocery stores selling packaged liquor) further south on Third Street.

III. ENVIRONMENTAL DETERMINATION:

The project will have minimal impact upon the environment and meets all applicable criteria to qualify as categorically exempt from further review under CEQA. The project meets the criteria of Article 19 Categorical Exemptions 15332 (a-e) In-Fill Development Projects. The project is consistent with the Riverbank Special Planning Commission Meeting
Staff Report 3.1
Meeting of March 20, 2019

applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations.

IV. PUBLIC NOTICE:

The Planning Commission hearing notice was published in the Riverbank News on March 6, 2019 and posted at City Hall North and South on March 6, 2019. In addition, the Applicant posted a Notice of Development Permit Application at 3325 / 3327 Santa Fe Street on March 7, 2019 and notices were distributed to residents and business within 300-feet of the Project site in accordance with City standard practices. At the time of writing this Staff Report (March 14, 2019), the City has not received any written public comment. Written comments received by the City shall be supplied to the Commission at the day of the meeting and read into the public record.

V. RECOMMENDATION:

Find that the project is categorically exempt under Article 19 Section 15332 (a-e), and approve the Conditional Use Permit pursuant to findings and conditions contained in attached Resolution 2019-008.

Whereas, the proposed sale of permitted alcoholic beverages is located within the Downtown Specific Plan APN: 132-009-060; and

Whereas, the property has a General Plan Land Use Element Designation of Mixed Use (MU); and

Whereas, the Mixed Use designation is the primary category for Riverbank to accommodate neighborhood-serving retail, services, offices, and similar needs during the buildout of the General Plan; and

Whereas, the proposed conditional use permit for Me and Mike’s Pizza, LLC DBA “Pizza Plus” would allow beer and wine sales within a full service restaurant within a former retail building located on Santa Fe Street between Third and Fourth Streets; and

Whereas, the property has a zoning designation of Downtown Core (DC) within the Downtown Specific Plan; and

Whereas, conditionally permitted uses in the DC District include “Eating and/or drinking establishments serving alcoholic beverages”; and

Whereas, this use permit shall only apply indoors and shall not apply to a patio area or an indoor expansion of the restaurant unless this CUP is amended by the Planning Commission in public hearing; and

Whereas, the City of Riverbank has had an undue concentration of licenses for the retailing of alcoholic beverages; and

Whereas, compliance with the conditions of this use permit is expected to mitigate impacts created by the retail sale of alcoholic beverages and will further the public convenience by providing the sale of alcoholic beverages within the existing downtown area.
Therefore, Be It Resolved by the Planning Commission of the City of Riverbank that it hereby approves the conditional use permit to allow the sale of beer and wine for on site consumption by Pizza Plus, subject to the following conditions:

1. Applicant shall comply with the City of Riverbank Standard Conditions as contained in the Planning Commission Resolution 2013-014 and/or receive confirmation from the Community Development Director that a specific condition or conditions does not apply to the subject project; and

2. The operator shall operate and abide under all conditions of the State of California Alcoholic Beverage Control Type 41 License, On-Sale Beer and Wine - Eating Place, in a full service restaurant. This Use Permit is not in effect outside of the building - there shall be no alcohol sales in any patio area or within an indoor expansion of the restaurant unless this Conditional Use Permit is amended by the Planning Commission.

3. The applicant shall insure that the sale of beer and wine does not cause any condition that will result in repeated activities that are harmful to the health, peace or safety of persons residing or working in the surrounding area. This includes, but is not limited to: disturbances of the peace, illegal drug activity, public drunkenness, drinking in public, harassment of passersby, assaults, batteries, acts of vandalism, loitering, excessive littering, illegal parking, excessive loud noises (especially in the late night or early morning hours), traffic violations, lewd conduct, or police detention and arrests.

4. This use permit is subject to a periodic review to monitor potential problems and for possible corrective action of the Department.

5. No variance from any City of Riverbank adopted code, policy or specification is granted or implied by the approval of this resolution.

6. Pizza Plus shall be prohibited from externally advertising or promoting specific or individual beer, wine and/or distilled spirits, including, but not limited to, window and exterior wall signage.

7. Pizza Plus shall not sell alcoholic beverages to underage minors pursuant to state and federal laws. The offering of sale of such will result in the automatic review and possible suspension of this use permit.

8. The retail sale of alcoholic beverages shall not adversely affect the peace, or safety within and adjacent to the downtown. If determined that selling such products are interfering with the normal operation of the area or quiet enjoyment of neighboring properties, the use permit may be reviewed for possible suspension of the license. It is expected that the retail establish will not result in repeated nuisance activities within the premises or in close proximity of the premises, including but not limited to disturbance of the peace, illegal drug
activity, harassment of passersby, acts of vandalism, excessive littering, loitering, graffiti, illegal parking, curfew violations, or police detentions and arrests.

9. That it does not result in violations to any applicable provision of any other city, state, or federal regulation, ordinance or statute.

10. The restaurant shall be assessed an additional $250 annually during the routine annual business license renewal process to offset DUI police enforcement activities.
