WHAT YOU NEED TO KNOW ABOUT Business & Multi-Family RECYCLING

Why Recycle?

- State law now requires all businesses and multi-family units that generate 4 or more cubic yards of waste weekly to recycle.
- Recycling may provide opportunities to save money.
- Recycling helps conserve resources and extends the life of California's landfills. It also helps create a healthy environment for our community and future generations.

How To Get Started

- It's easy to recycle at your complex or business. Make sure your business or manager has arranged for recycling services (see below for more information).
- Use the list on the other side of this flyer to help employees and residents learn what items can be recycled.
- Separate recyclable items from the trash.
- Place your recyclable items in external recycling containers for collection.
- Note: any business or individual may donate, sell and/or otherwise arrange for pickup of recyclable materials.
