

Q: Is the Junior Giants season canceled?

A: No. Please know that our wholehearted intent is to still host the Junior Giants season this summer. The health of our community and you —our Junior Giants participants—remains our top priority moving forward.

Q: When is registration being opened?

At this point in time, we have decided to delay our online player and volunteer registration until further notice and have not confirmed a new opening date.

Q: When will I hear more about the status of Junior Giants?

As we receive more information from the Center for Disease Control & Prevention, the World Health Organization, and our host agencies in the coming weeks and months, we will continue to remain transparent in our decision making and keep you well informed of how we will proceed during this uncharted time.

Q: Are there any other resources available?

A: Please stay tuned for resources from our Junior Giants team to help you through this time.
